

Car Tax Cuts for Bridgeport Families

FROM YOUR STATE SENATOR

Ed Gomes

The most frequent concern that families, seniors and small-business owners express to me is about property and car taxes. I am helping lead the charge to provide Bridgeport and other municipalities with the resources needed to limit these crippling taxes. As we move forward, the state will cap car taxes and dedicate one-half percent of its sales tax revenue to cities and towns to help alleviate pressure on the property tax.
